3 compiled false witnesses and information to wrongfully and falsely  
4 imprisoned and convicted the Plaintiff of violation of Sections

crimes that, the Plaintiff didn't commit.

#### **PARTIES**

14 complaint, residents of Los Angeles, California.

#### **SUMMARY**

15  
16  
17 4. The Plaintiff alleges in court that the Defendant the  
18 People of the State of California, Jackie Lacey, District Attorney  
19 and its Deputy Susan Y. Jung conspired with certain individuals who  
20 were after the Plaintiff Lily C. Alphonsis. Since the year 2009  
21 certain individuals discovered the Plaintiff's confidential  
22 relationship with the late singer Michael Jackson. The Plaintiff  
23 believes that, after several attempts to destroy her life were  
24 unsuccessful, they finally conspired with some individuals in two  
25 different governmental agencies to destroy the Plaintiff's life by  
enforcing bogus charges against the Plaintiff.

26 5. The Plaintiff believes and alleges that after years of  
27 harassment, monitoring of her every moments, phone tapping and  
28 tracking by certain individuals and investigators from the

1 Defendants office, they conspired with Bank of America and finally  
2 achieved their aim.

3 6. The Plaintiff alleges that the Defendant conspired with  
4 Investigators Juan Flores, Wayne Hasegawa, false witness Alice  
5 Lewis, formally known as Alice Macanally, the Plaintiff's attorney  
6 John Powers from the Los Angeles Public Defender's office, Eduardo  
7 Castellon an agent from Department of Motor Vehicle, and Thomas  
8 May, a Homeland Security agent, to falsely and wrongfully  
9 imprisoned and deport the Plaintiff to another country.

10 **STATEMENT OF PERTINENT FACTS**

11 7. On May 20, 2011, Investigator Juan Flores presented DMV  
12 documents and an Insurance Fraud charges against the Plaintiff. The  
13 Insurance Fraud charges were issued after 4 years of the incident.  
14 He claimed the Plaintiff committed Insurance Fraud, on or about  
15 04/02/07. The Investigator obtained an arrest warrant against the  
16 Plaintiff, which was ordered by Judge Robert C. Vanderet and issued  
17 a warrant arrest in an amount of \$25,000.00.

18 8. On April 25, 2012, the Plaintiff was followed around and  
19 arrested for a warrant by two Los Angeles Police officers, who then  
20 physically abused and verbally harassed the Plaintiff and put her  
21 in jail.

22 9. On April 26, 2012, the Plaintiff appeared in court for  
23 arraignment by Judge Shelly Torrealba and was represented by a  
24 court appointed attorney Baker Ostrin. The Plaintiff pleaded not  
25 guilty to count 01. 550(A). The Plaintiff was ordered to return to  
26 court on 06/06/12.

27 10. On June 6, 2012, the Plaintiff appeared in court and was  
28 represented by Public Defender Alba Marrero. Preliminary hearing  
was set for 08/27/12.

11. On August 27, 2012, the Plaintiff appeared in front of  
Judge James N. Bianco. Represented by court appointed attorney

1 Sampda Kedia. The Plaintiff requested Pro Per, after analyzing and  
2 raising concerns about the behavior of the appointed Public  
3 Defender. The court defers the request.

4 12. On September 5, 2012, the Plaintiff appeared in Pro Per  
5 in court and waived her rights to a counsel. Judge James N. Bianco  
6 advised the Plaintiff against her Pro Per request. But, she  
7 enforced it. The Defendant Susan Y. Jung requested fresh  
8 fingerprints from the Plaintiff. The Plaintiff requested the Judge  
9 to deny that request, however the Defendant claimed the Prints are  
10 needed to examine the case and the Plaintiff's true identity. Judge  
11 N. Bianco ordered the Plaintiff to provide the fingerprints for the  
12 so-called analysis by the Defendant.

13 13. On October 5, 2012, the Plaintiff appeared for the  
14 Preliminary hearing in Pro Per. The Plaintiff clarified her  
15 identity and requested the court to rectify her name. The Plaintiff  
16 explained to the Judge that the names she was being addressed and  
17 accused under is not her name. The Defendant Susan Y. Jung gave the  
18 Plaintiff some of the case discovery and claimed she had to edit  
19 some of the discovery before it could be released to the Plaintiff.

20 14. On October 25, 2012, the Plaintiff appeared in court and  
21 released her Pro Per status after careful analysis of the case  
22 discovery. The Plaintiff decided that it would be better for an  
23 attorney to represent her case. The Public Defender's office was  
24 re-appointed. An unknown driver followed the Plaintiff on her way  
25 out of court and attacked the Plaintiff.

26 15. On November 9, 2012, the Plaintiff appeared in court and  
27 was represented by Public Defender John Powers. The Plaintiff met  
28 with Public Defender John Powers and brought certain concerned  
issues in her case to his attention. She made it clear to her  
attorney that she will not accept any Plea Deals and would like to  
go to trial to prove her innocence in the case. The Public Defender  
assured the Plaintiff of his 30 plus years of experience in

1 handling Insurance Fraud cases, and insisted the case doesn't have  
2 any solid evidences. He advised her to take a break and relax.

3 16. On December 11, 2012, The Plaintiff appeared in court and  
4 was represented by P.D John Powers. Attorney Powers brought a Plea  
5 Deal that the Defendant Susan Y. Jung offered the Plaintiff. The  
6 Defendant Susan Y. Jung requested the plaintiff to plead guilty to  
7 a misdemeanor charge. The Plaintiff reminded her P.D John Powers  
8 that she meant every single word in their last discussion and  
9 firmly reiterated to him that she will not take any plea deals. D.P  
10 John Powers wasn't happy about her decision. The case was scheduled  
11 for a Preliminary hearing.

12 17. On February 1, 2013 the case was called for a Preliminary  
13 hearing after almost a year of continues dates. The counsels  
14 claimed they weren't ready for the hearing and asked the court to  
15 push the date back to 02/28/13.

16 18. On February 27, 2013, D.P John Powers finally decided to  
17 meet up with the Plaintiff, a day before the Preliminary hearing to  
18 go over the case. During the meeting, the Plaintiff's attorney  
19 questioned her about a phone call she made to the Defendant's  
20 office inquiring about Susan Y. Jung's supervisor. The Plaintiff  
21 asked P.D John Powers about how he discovered that she had placed a  
22 phone call to the Defendant Susan Y. Jung's office. He claimed it  
23 didn't matter how he became aware of the phone call. John Powers  
24 then went ahead and notified his client that, The Defendant Susan  
25 Y. Jung had decided to retaliate against the Plaintiff's actions by  
26 adding 6 new additional counts of fraud to her case.

27 18A. John Powers also disclosed to the Plaintiff that, the  
28 Defendant Susan Y. Jung decided to introduce old DMV application  
evidence to charge her with 6 additional counts of perjury and one  
insurance fraud. Bringing the charges to a total of 7 counts of  
fraud.

1           18B. The Plaintiff's attorney elaborated on a new discovery  
2 that the Defendant Susan Y. Jung suddenly presented to him. The  
3 Defendant Susan Y. Jung claimed that within a few days of  
4 conducting a search in the California Vital Records System. She  
5 discovered that the Plaintiff didn't have any birth record in the  
6 system under her given name. According to John Powers, the  
7 Defendant Susan Y. Jung informed him that she called Homeland  
8 Security to verify the validity of the Plaintiff's U.S.A passport,  
9 and a Homeland Security agent named Thomas May informed the  
10 Defendant the Passport was fraudulently obtained.

11           18C. John Powers enumerated the details of the Defendant's new  
12 discovery by stating that, she also contacted Eduardo Castellon, an  
13 agent with the special investigative unit at the Department of  
14 Motor Vehicles and was also informed that the Plaintiff obtained  
15 and filled out several DMV applications under a different name with  
16 fake Social Security card/number and a fake USA Passport.

17           18D. John Powers then advised the Plaintiff that the Defendant  
18 Susan Y. Jung is willing to drop the other charges, if she takes a  
19 plea deal. The Plaintiff laughed it off and reminded him for the  
20 last time, she will not take any deal. The Plaintiff advised P.D  
21 John Powers to inform the Defendant Susan Y. Jung that she will see  
22 her in court and she should present whatever evidence she have  
23 against her in court. The Plaintiff then realized that John Powers  
24 was trying to force her to take the Plea Deal. The Plaintiff became  
25 stern about her decision. Out of rage and frustration, P.D John  
26 Powers told the Plaintiff he was tired of the Plaintiff's bullshit  
27 and she would be shipped back to wherever the hell she was born.  
28 The Plaintiff couldn't believe her ears. But kept and gained her  
composure and informed her attorney that she will meet them in  
court the following day.

19. On February 28, 2013, the Plaintiff appeared for a  
Preliminary hearing, which was presided by Judge Mary Lou Villar.

1 During the Preliminary hearing, the Defendant presented all her  
2 false witnesses and Photo shopped DMV applications and her 7 counts  
3 offenses. 5 out of the 7 counts were practically the same offense  
4 repeated 6 times.

5 20. The Defendant called its key witness for the Insurance  
6 Fraud case; Alice Lewis was called on the stand and took an oath.  
7 She was questioned to identify the Plaintiff. She immediately  
8 identified the Plaintiff as the woman she was involved with in a  
9 car accident 4 years ago. The witness Alice Lewis then contradicted  
10 her own testimony in her DMV hearing on October 3, 2007. The  
11 witness was asked if she exchanged information with the Plaintiff.  
12 She testified that, though the Plaintiff was irate, she willingly  
13 exchanged information with her. When asked about the date and time  
14 she called her insurance company. She testified that she called her  
15 insurance company the same day the accident occurred.

16 21. During the Preliminary hearing, the Defendant called one  
17 of its lined up witnesses for the Insurance fraud case, Patrick  
18 Cleary. The witness claimed he spoke to the Plaintiff over the  
19 phone, but never met her in person. The Defendant's witness Patrick  
20 Cleary then testified that, he presented pictures of the  
21 Plaintiff's car damages to Alice Lewis to identify the car. Alice  
22 Lewis then went ahead and claimed that, the damages on the  
23 Plaintiff's car that occurred on the Plaintiff's accident, dated on  
24 April 5, 2007, were the same damages that Alice Lewis witnessed on  
25 the day of her accident on April 2, 2007.

26 22. The Defendant's next witness Mohammed Malik was called on  
27 the stand. According to the Mechanic who fixed the Plaintiff's  
28 damages on her car. The Plaintiff presented her car to him in the  
morning of April 6, 2007, the very next morning the accident  
occurred. The Plaintiff ordered the car to be fixed and she paid  
for her damages in cash without dealing with any insurance company.

1        23. The Defendant called its witness for the 6 counts of DMV  
2 applications perjury; Eduardo Castellon was called and sworn in.  
3 According to his testimony, he discovered that the Plaintiff  
4 presented fraudulent documents because of a written statement that  
5 was made by a DMV clerk. He claimed a clerk left some notes on one  
6 of the applications that, the clerk thought possibly that the  
7 Passport and a Social Security Card, which was provided, were  
8 fraudulent or counterfeit in a 6/25/04 application. He confirmed  
9 that two different US passport numbers were presented for the  
10 applications on June 2004 and 2009. He claimed the Plaintiff  
11 obtained different Drivers License with different citizenships and  
12 different date of births with fraudulent documents. According to  
13 him, though DMV makes copies of all documents that are presented at  
14 its locations, in this particular case, there are no copies of the  
15 alleged fraudulent documents on file. Later on in his testimony,  
16 the same agent admitted that the Administration of Social Security  
17 was contacted and they verified and confirmed that, the social  
18 security number was issued for the Plaintiff.

19        24. The Defendant next witness was a forensic Identification  
20 Expert, Edna Roches. According to the forensic expert's testimony,  
21 after careful examination and comparison of the Plaintiff's  
22 fingerprints to the fingerprints on the DMV applications and other  
23 documents, she concluded that the prints on all the documents are a  
24 perfect match.

25        25. Investigator Juan Flores was called on the witness stand.  
26 He claimed the Plaintiff gave him conflicting date of births and  
27 names. However he couldn't recall if the Plaintiff actually gave  
28 him a specific name and date of birth during an interview.

29        26. The Defendant's witness from Homeland Security claimed  
30 that he had compared the Plaintiff's fingerprint to an immigrant's  
31 fingerprint in the FBI database system, and he came to a conclusion

1 that the Plaintiff is an immigrant who entered into the country in  
2 the 1990s.

3 27. According to Thomas May's testimony, the Plaintiff's  
4 Passport that has been deemed as fraud or counterfeit was actually  
5 a valid Passport that was issued by the US State Department. The  
6 Defendant then asked the Homeland Security agent about the Birth  
7 Certificate that was used for the passport application. He claimed  
8 that his contact at the US Department of State didn't disclose any  
9 information about the Birth Certificate on file to him. However,  
10 DMV agent Eduardo Castellion, the same agent who claimed both the  
11 Plaintiff's Social Security number/card and Passport were  
12 counterfeit documents, had notified him that the birth certificate  
13 was also fraudulent. Though agent Castellion testified he had never  
14 seen a copy of the birth document.

15 28. According to Homeland Security agent Thomas May, after  
16 given that information by the DMV agent, he then concluded that the  
17 Plaintiff is an immigrant who came into the USA in the 1990s  
18 through visa and somehow fraudulently obtained a USA passport and  
19 changed her name.

20 29. During the Defendants presentation at the Preliminary  
21 hearing. The Defendant Susan Y. Jung admitted in her statement that  
22 she has in fact, discovered the Plaintiff's birth record during her  
23 search in the California Vital Records system and the information  
24 she found matched the Plaintiff's information in her passport. She  
25 then retracted her statement and claimed she didn't find any such  
26 record in the system that matched the information in the passport.

27 30. The Defendant stated in her final statement during her  
28 request to place the Plaintiff in jail to answer for her true  
identity, that she didn't know the real identity of the Plaintiff.  
The Defendant claimed that though the Plaintiff has been  
fingerprinted and her prints have been checked throughout the FBI  
system. They still don't know her true identity, insinuating that

1 she might be someone else, even though the State Department  
2 identified her as a valid citizen with a U.S Passport.

3 31. According to the Defendant, throughout the course of the  
4 case, the Plaintiff proved her sophistication and intellectual  
5 capabilities, and for that matter, the Defendant deemed it proper  
6 and requested the Judge to place a hold on her in jail to identify  
7 her true identity. The Plaintiff's attorney also supported the  
8 Defendant's request by suggesting that ICE should place a hold on  
9 his client in jail.

10 **FIRST CAUSE OF ACTION:**

11 **FRAUD**

12 32. Defendant Susan Y. Jung used unlawful and unethical  
13 prosecutorial tactics by working with Investigator Juan Flores and  
14 DMV agent Eduardo Castellon and manipulated the Plaintiff's  
15 fingerprints by inserting them into forged DMV applications in the  
16 DMV data system. The Plaintiff was then accused of using different  
17 names and dates of births to obtained Driver Licenses.

18 33. The names that the Plaintiff was accused of using will be  
19 proved in this litigation that she is a different person with a  
20 different date of birth.

21 33. It will be proved that the Plaintiff was victimized for  
22 sharing a name with another person.

23 34. It will be proved in court that the Defendant and its DMV  
24 conspirator photo-shopped images on different DMV application form  
25 to convict the Plaintiff of perjury.

26 35. The Plaintiff will prove it to the court that some of the  
27 applications contained dates that conflicted with the location of  
28 the Plaintiff.

36. A fact, which will be displayed in court, that, on some  
of the application dates, the Plaintiff unknowingly and  
accidentally walked into the middle of a gang shootings activity

1 and was shot in the leg and became immobile in another State. The  
2 truth, which shows, it was impossible for the Plaintiff to have  
3 been in Los Angeles DMV location to have filled out those  
4 applications.

5 37. It will be proved in court that Investigator Juan Flores  
6 used unlawful investigative tactics to obtained information and  
7 also manipulated the Plaintiff's information to instigate and  
8 initiated bogus charges in this case.

## 9 **SECOND CAUSE OF ACTION**

### 10 **FALSE ARREST AND WRONGFUL IMPRISONMENT**

11 38. It will be proved in court that, the Defendant and its  
12 investigators' abused authority by harassing certain people to get  
13 them to admit certain statements. The Defendant used wrongful  
14 tactics by presenting false documentations, witnesses and  
15 manipulated the judicial system to her and her conspirator's  
16 advantage by falsely arresting the Plaintiff with fake charges.

17 39. The Defendant presented a false witness Alice Lewis to  
18 testify against the Plaintiff. It will be proved in court that, the  
19 same Alice Mcanally now known as Alice Lewis testified under Oath  
20 on a DMV hearing on October 3, 2007. Six months after she reported  
21 a so-called accident with the Plaintiff's information, Alice Lewis  
22 testified that she didn't know/have ever met the Plaintiff in her  
23 life. A fact that was known to the investigators in this case, yet  
24 the Defendant put the false witness Alice Lewis under oath to  
25 testify against the Plaintiff.

26 40. The Defendant Susan Y. Jung worked with the Plaintiff's  
27 own Public Defender John Powers and wrongfully imprisoned the  
28 Plaintiff.

41. It will be proved in court and an explanation will be  
demanded from the Los Angeles Public Defenders office on why a  
veteran of 30 years plus Defense Attorney will recommend to the

1 court to put his own client in jail and request Homeland Security  
2 to place a hold on his client. An explanation will be demanded on  
3 why the Public Defender refused to subpoena the Plaintiff's medical  
4 record to exonerate her from the bogus charges; after the Plaintiff  
5 showed her attorney certain forged evidences in the Defendant's  
6 discovery.

7 42. It will be proved that the Defendant worked with Public  
8 Defender John Powers and Homeland Security agent Thomas May to  
9 falsely arrest and wrongfully imprisoned the Plaintiff after she  
10 placed a phone call to expose the Defendant's dirty tactics.

11 43. It will be shown in a court of law that the Defendant  
12 manipulated with evidences, and the legal system. Which in turn  
13 left the Plaintiff with no choice to properly defend her innocence.

14 44. The court will know that the penitentiary housing system  
15 left the defendant no choice, but to take a plea deal in order to  
16 survive.

### 17 **THIRD CAUSE OF ACTION**

#### 18 **CONSPIRACIES**

19 45. The court will get to know the fact that, this whole case  
20 was brought up against the Plaintiff to question her credibility in  
21 any case she decided to reveal certain facts about Michael Jackson.  
22 The Plaintiff was pursued immediately after his death, and certain  
23 attempts to take her life were unsuccessfully made.

24 46. This court will review evidences that show the Defendant  
25 retaliated because, she discovered that the Plaintiff wasn't stupid  
26 and the Plaintiff knew the tactics that the Defendant was using,  
27 and was going to expose it. For the reasons, the only way for the  
28 Conspirator's including the Defendant to save their selves were to  
do everything in their power to imprison or to get rid of the  
Plaintiff in whichever ways possible. In doing so, the Defendant  
conspired with Investigator Juan Flores, Public Defender John

1 Powers, DMV agent Eduardo Castellon and Homeland Security agent  
2 Thomas May to ensure that the Plaintiff was jailed and deported to  
3 a different country.

4 47. It will be shown that just about one month into the  
5 Michael Jackson Trial, the Defendant was followed around and was  
6 attacked and shot at. And that upon using her trained combative  
7 skills she was able to escape her attacker with just cuts and  
8 bruises.

9 48. The court will get to know elaborated reasons why the  
10 Defendant suddenly switched from one count of criminal offense  
11 against the Plaintiff to 7 counts of criminal offenses.

12 49. This court will get to know the details of the  
13 Conspirator's activities including gaining access into the  
14 Plaintiff Bank accounts, birth records, passport records, school  
15 records, employment records, DMV records and Social Security  
16 records.

#### 17 **FOURTH CAUSE OF ACTION**

##### 18 **RACIAL DISCRIMINATION**

19 50. The Plaintiff will prove to the court on the details of  
20 the Defendant racial discrimination against the Plaintiff. It will  
21 be showed in court on how she was portrayed as another person and  
22 depicted/accused of changing her appearance and features to  
23 disguise her crimes.

#### 24 **FIFTH CAUSE OF ACTION**

##### 25 **DEFAMATION**

26 51. The Defamation in this case has caused tremendous damages  
27 to the Plaintiff's image. The Plaintiff's once clean record is now  
28 tainted with a felony. A bogus crime she never committed. This  
court will be showed the details of the damages that the defamation  
has caused the Plaintiff.

**SIXTH CAUSE OF ACTION**

**EMOTIONAL, PHYSICAL AND MENTAL DISTRESSES**

52. The emotional, physical and mental distresses the Defendant's case had caused the Plaintiff can never be compensated. The freedom that was taken from the Plaintiff could never be given back to her. The mental distress damages, and emotional stress that the Plaintiff encountered as a result of being confined to a small cell for 23 hours a day for 2 months, is simply inhumane, especially for an innocence victim who didn't commit any crime. The Physical damages she encountered will be showed in court.

**REQUEST FOR RELIEF**

53. The Plaintiff prays for judgment against the Defendant as follows:

The Defendant must remove all charges against the Plaintiff and grant the Plaintiff's freedom to enable her to live her life.

54. The Defendant must be held accountable for the purging of the Plaintiff records. And must be forced to reinstate all purged records.

56. The Defendant must be held accountable for fraudulently compiling information and false witnesses against the Plaintiff to destroy her life.

57. The Defendant must purge any arrest record and any collected information including collected DNA samples that were taken from the Plaintiff, this court must order its removal from the system.

58. The Defendant must be held accountable for fraud and perjury.

59. The Plaintiff prays that the court will review all the personal damages that the Defendant has caused the Plaintiff in this case and rewards her accordingly.

60. For pre-judgment in favor of Plaintiff in an amount to be determined at trial.

61. For expenses of suit incurred herewith

62. For reasonable attorney's fee, and such other relief as the Court may deem just and proper.

## CONCLUSION

63. The Defendant in this case has displayed that the Criminal Justice System is bias. The District attorney's office uses unlawful tactics to falsely imprison victims because of the advantageous immunity that protects them. This case will display the unlawful prosecutorial tactics that are used to falsely imprison innocence victims.

The Defendant's actions in this case have clearly confirmed the notion that any citizen can be victimized by corrupted law enforcement personals, prosecutors and people who hold certain positions in governmental agencies.

64. The Plaintiff hopes and pray that this court will duly enforced the proper judicial laws to hold the Defendant accountable for all the above stated actions. And that no one is above the law regardless of one's acquired position. People who hold certain positions in governmental agencies must know that, having access to vital information about a person doesn't permit one to abuse authority and manipulate with accessible information for destruction of one's life.

We claim to be a nation of law and order, but our actions and legal system are set up to destroy innocent lives. The Criminal Judicial System is practically a joke, the penitentiary system is a major business that is aimed to enslave innocent victims for profitability, which is nothing but the new era of modernized enslavement.

1 Who looks after the innocent citizen when the Judicial System  
2 is set up to victimize and enslave its citizens? I pray this court  
3 will prove me wrong that; there is still justice that prevails in  
4 some parts of our legal system.

Dear Sir/Madam:

I am a US citizen that has been unlawfully detained by ICE. I am currently detained at 13502 Musick Road, Irvine, CA 92618. I am fighting for my legal right as a born US citizen that has been unlawfully detained. I have attached 3 litigations for your filing.

Kindly let me know how I can obtain copies of each litigation to serve the opposing parties.

I would truly appreciate your assistance in this matter, as I do not have any legal representation who is assisting me in this matter. I am in Pro se in all three litigations. Please help.

Truly yours,
